Dear Jim,

On behalf of USD Opera, thank you so much for your help with our production of *The Consul*. I was impressed not only with your outstanding ability as a magician, but also with how you trained the students and interacted with them. Thank you also for your generosity in lending us some key materials. Thanks to your work, the character of the Magician was very much appreciated by the audience as witnessed by the applause he received in both performances.

I would be very happy to recommend Jim Perry Magic to anyone anywhere. Thanks for enhancing our production and making it magical!

Sincerely,

Dr. Tracelyn Gesteland
